Uncommon  Core

WANT TO SUPPORT UNCOMMON IDEAS?

HELP YOUR LOCAL ARTISTS, MUSICIANS, DESIGNERS, MAKERS, PERFORMERS AND POLYMATHS. ***WE NEED YOU TO HELP START A LOCAL RENAISSANCE!***

Cali Commons provides the ***Uncommon*** creatives in our community with the support, resources and collaborative inspiration they require to thrive. Our ***Uncommon Core*** will work together to launch engaging local products, services and experiences to grow their own sustainable creative income. Your support will help them to succeed and in-turn reshape our shared community.

OUR COMMON MISSION

Cali Commons exists to activate our community's LOCAL creative professionals by providing:

- 1.) Resources to create independent revenue streams for Uncommon Core members
- 2.) An access point to engage our members for new projects and commissions
- 3.) A space for community interaction, professional collaboration and creative cooperation
- 4.) A sustainable model for creating "placeable" location specific economic development

How will this benefit the community? Our Uncommon Members will get access to much needed resources like space, technology and human resources. Our community will get to participate in the process of taking ideas from concept through execution. We will be able to see local innovation happen and vote locally by directly investing in our creative talent.

How will we measure success? We will use communication software to facilitate online communication through a sale. By collecting sales data we will be able to see how our community grows and thrives.

HOW YOU CAN SUPPORT US

1.) Sponsorship - We love working with corporate and philanthropic sponsors at Cali Commons. Together we can provide our members access to better creative tools and community resources.

2.) Donating - We are happy to take donations and gestures of support. Once we've got our 501c3 status, you'll receive a year end letter with your yearly contribution total.

3.) Volunteering - We need help staffing events, exploring community events and advocating for our Uncommon Core.

4.) Subscribing - Purchase community shares in our Uncommon Stack program and you'll be able to swap ideas to support your favorite concepts and creative professionals. \$15/mo (Stack of 2)

5.) Participating - You'll be invited to participate in events and purchase special collaborative work or seasonal anthologies from our collection.

6.) Direct Purchases - Direct purchases help support our creative community. When you spend your money directly supporting our members, Cali Commons doesn't take a percentage of the invoiced amount.
